The public has rebelled against canterizing Hair Dyes. Fashion has foresworn them. A sagacious community has adopted in their stead, CRISTADORO'S HAIR DYE. and for these reasons: It embrowns and black ins the hair, not the skin. It is a vegetable emollient, not a burning fluid. It does not burlesque nature with blooming metallic tinges, but produces her own luving hues. Its cooling effect is lasting. It defies detection. Its results are uniform. It never fluis.
